Workout Class Descriptions

Aerobics, Tums & Bums

A combination of cardiovascular exercise and resistance work to help burn calories, tone and lose weight and increasing fitness levels this class is a favourite and suitable for all abilities.

Aqua Aerobic/Elite

A motivational workout in the pool using the water as resistance, you can tone and strengthen the body whilst having fun.

Aqua Jog

A deep water, non-impact exercise programme designed to give you an aerobic workout as well as developing muscle tone. A flotation belt is worn to help maintain correct body alignment.

Body Balance

A dynamic combination of Yoga, incorporating principles of Pilates and Tai-Chi. Body Balance invigorates, releases tension and tones gently. It also encourages good posture, increases core (stomach and back) stability, improves co-ordination and balance. Body Balance will leave you in a state of energised calm.

Body Combat

A high intensity, high motivation cardiovascular, martial art based workout. A non contact combination of punches and kicks coupled with controlled breathing strengthens and tones the body, whilst burning large amounts of calories. This class will have you fighting fit in no time!!

Body Pump

Body Pump is the world's first class to combine high repetition weight training with aerobic conditioning. It will tone, strengthen and shape your whole body. Can help you lose weight and above all else is a fun, motivating workout....Be warned it will change the shape of your body.

Indoor Cycling

All the fun & fitness of group exercise but without the complicated choreography. It's tailored to your own level to develop your fitness and burn the calories.

Enjoy the ride!

Circuits

A fun and intense workout based on combining high intensity exercises and high repetition resistance work. This class is guaranteed to make you burn calories, tone and strengthen. Suitable for all, this class is a must for all those that lack co-ordination but love the group workout environment.
